**RE: YOUR 2019 BUSINESS AND TAX LICENSE
ACCOUNT: 2603970**

Dear Business Owner/Manager,

Thank you for submitting the License Application form and license fee for your Evans Business and Tax License.

We are pleased to enclose your City of Evans 2019 Business License. Please display this license in your place of Business.

If you collect and remit sales or use tax and requested forms on your renewal application, we have enclosed a supply of Sales and Use Tax Return forms and envelopes. If you file on an annual basis, we will mail you your return form towards the end of the year.

One of the goals of the Evans City Council is to use our own staff to more efficiently collect the 3.5% City of Evans Sales & Use Taxes. The 3.5% City of Evans Sales Tax on all sales made on or after January 1, 2011 should be remitted directly to the City of Evans (not to the Colorado Department of Revenue).

Starting January 1, 2019, the City of Evans will require the separation of sales tax for Food for Home Consumption and the Non-Food for Home Consumption on the sales and use tax return form.

A second City Council goal is to provide more timely and accurate data of business activity in the City of Evans. Please take the time to provide us with your email address. All businesses having a 2019 City of Evans Business License will receive via email a monthly Evans Sales Tax Update that will include a summary of sales in Evans by industry type and geographic area (noconfidential business information will be disclosed).

Lastly, we strive to develop a closer relationship between the City of Evans and the Evans Business Community. We value your Evans business and want to provide you the best possible service right here in the City. If you have any questions or need assistance by the City, please call or email me.

Respectfully,

A handwritten signature in cursive script that reads "Angel Moreno".
